FSGC Pace of Play Requirements

All participants shall play Ready Golf throughout the Event

Each group shall keep-up with the group in front of your group by being ready to tee-off once the last person in the group ahead of yours has hit their second shot and is moving towards the green.

In the fairways, once your cart-partner has decided which club they will use, proceed to your ball, and prepare for your shot.

Once on the green, everyone should be lining up their putt at the same time, until the person away is ready to putt. Without rushing, putt out when

Once you have putted-out, **each player shall call out their score made on the hole**, before proceeding to the next hole and tee-off once the last person in the group ahead of yours has hit their second shot and is moving towards the green.

possible.....Remember the Maximum Ten (10) stroke rule on any hole

referenced on page 5.

Tournament Rules

Stroke Play Competition: If player arrives to the golf course late for the tournament and does not reach their starting hole by the time his group has hit their first shot. The player must take the ten (10) stroke maximum rule on the hole. **Note:** The player can continue playing, however will be ineligible to place in the stroke play competition. The player can still win skins and close to pin competitions.

FSGC Playing Rules: **If winter Rules are in play;** Player's may mark, lift, and clean their ball, then place the ball within one club length (Right, Left, or Behind) the initial marked position of the ball anywhere on the course no nearer to the hole. USGA Rules will govern play for this event.

Tee Box: [Flt 'A' (0-13 handicap) and Flt 'B' (14 - 32 handicap)] use **WHITE TEE**, **Designated Senior's (age 65+ with handicaps 16 - 32)** use **FORWARD TEE**, **Note: Designated senior will complete in Flt B.** **Women Flt** use **RED TEE**. Note: Flights (Flt) breakout will be determined by the number of entries.

Ten (10) Stroke Maximum Rule: Once you reached tenth stroke anywhere on the hole played, pickup your ball and record ten (10) on the score card for that hole.

For any discrepancies unresolved within the group: The player shall play two balls and report discrepancies to tournament rules committee immediately after the round. Let us all have fun, protect the integrity of the game, and show respect to your playing partners and others on the course. NWGA Committee will address all un-sportsmen like conduct that happens at this event.

Closes to Pins (KP's): Please make sure you or the member(s) of your group record their name on the correct sign for flights. **NO VALIDATION REQUIRED** (Meaning you do not have to par the ho

Score Cards: Please do not total scores on the card the computer will take care of it, only enter the score made on each hole. All player signatures must be on the official scorecard. Turn scorecards in immediately after completion of play. Please keep a second card for validation and personal use.

Prize Payouts: Gross and Net Payouts for each flight are equal. A player is only eligible for one payout, meaning the player will not receive payment for both Gross and Net categories, only where the player earns the largest amount. To break all ties will be broken using the hole ranking on the score card for the Shoot-Out, if the hole ranking cannot break the ties, then divide the prize awarded by the total number of ties.

2-Person Putting Contest

TIME: 9 am – 11:45 am

Location: The putting green will be utilized for the putting contest only.

Contest Format: Team players will alternate putting until the ball is holed-out on each hole. Each team member will putt first on alternating holes (regardless of who putt-out last on the prior hole). A person or team can compete as many times as they choose too, with as many partners as they desire.

Scoring Sheet: Teams will call out their total strokes after each hole is competed and the official scorer will fill-in the score for each hole then totals the sum and hand it off to the event chairperson.

Prize Payouts:

Prize distribution of remaining proceeds will be distributed as follows: 1st Place (50%), 2nd Place (30%), and 3rd Place (20%). Payouts will be based on the lowest three (3) team scores. Any ties will be decided via sudden death putt-off for all teams tied after the event.

Note: Tie breakers will be determined by one team member putting and if the putt is not holed a measurement is taken (from the edge of the hole to the ball) with the closest to the hole being deemed the winner.
